

Math 7A - Introductory Assignment

Name: _____

The purpose of this assignment is to get you familiar with my website pccmath.com and introduce you to the course. If completed and turned in at the beginning of the first day of class it is worth 5 extra credit points (I generally do not offer extra credit so this is likely the only opportunity). Otherwise, it is due by the end of the week as a homework assignment.

(1) The Math 7A page

- Go to pccmath.com.
 - Click on the link for MathPath 7AB on the left. This is what I refer to as “the 7A page”. This is where you will find information about the course such as handouts, syllabus and sample tests.
 - Click on “Preparing for this course”. Read this page.
 - Under the heading “Review”, what does it say are the two biggest predictors of success in this class.
-

(2) The Syllabus

The syllabus contains a LOT of information about this course. You should read it thoroughly and refer back to it during the semester.

- Go back to the 7A page.
- Click on “Syllabus”.
 - What time are my office hours on Wednesday? _____
 - If you miss class, should you turn in your homework on the next day? _____
 - Do I give make-up exams? _____
 - When is the Final Exam? _____
 - What info. would you like to have seen on the syllabus that was not there?
 - _____
 - _____

(3) Sample Tests

I provide sample tests for each of the exams. It should be noted that this is not a comprehensive review but an actual test that was given in a previous semester. It can be used as a tool for studying for the exam, but should not be the *only* tool used.

- Go back to the 7A page.
 - Click on Sample Test “4”.
 - What does question 1 (a) say? _____

(4) Assignment Sheet

- Go back to the 7A page.
 - Click on the pull down menu (black bar) for Homework/7A.
 - What is the name of Unit Two? _____
 - Why are some of the sections highlighted in yellow? _____(Note: I strongly suggest you get started on those problems before the start of the semester as we will be covering that material very quickly)

(5) Announcement Page

- Go back to the 7A page.
 - Click on the pull down menu (black bar) for “Announcements”. This is what I refer to as “the Announcement Page” (not the one on canvas). This is where you will find daily assignments and notices of upcoming tests etc. I update it daily after class so if you miss class, this is where you look. You will also find a link back to the 7A page as well as the homework page.
 - What is the quote on the picture? _____
